**KWAN – YIN STATUE**  
**FUND – RAISING FOR BUILDING AN LAC TEMPLE**

Dear Buddhists and Friends,

For twenty years, we have been using the garage as the Buddha Hall for our ritual services. We are building our Temple soon, but the fund is still short. The following fund-raiser program (one of our many ways of fund-raiser event) is for the purpose of raising the fund to build An Lac Temple. We are looking forward to your support.

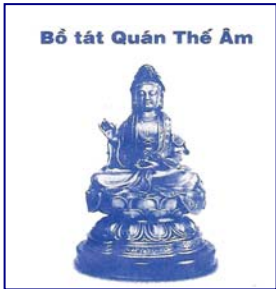

For this program, we would like to ask you to sponsor one or more Kwan Yin (a compassionate Bodhisattva, who comes to help and support those who are in need and recite her name wholeheartedly) statues with a suggested amount of \$500.00 per statue. Your name and the names of your beloved ones will be carved on the throne of statue(s) for souvenir. The special thing about this is that, you donating the statue(s) to the temple and we will place them in our new temple.

This program will help us having enough fund to build the temple. You and your beloved ones' names will remain known for the next generations. We hope you will join us and see the benefits from this program.

May you and your family be blessed by Kwan Yin Bodhisattva and live in peace and happiness.

Sincerely yours,

An Lac Temple Monastic
